Automatic Time and Date Stamps

**“When did we ship this order?” or
“What day did we receive this?”**

Our AR-Series Document Control Stamps provide an efficient, cost effective way to register time, date, numbers and customized messages on your important documents. These heavy-duty stamps allow for specific customer information such as *Company, Department Names, or Locations*. Action notations such as *Received, Filed, or Shipped* can also be printed on documents.

These easy-to-use devices allow for quick recording of date and time or control numbers on all your business forms, in thickness from onion skin to 1/4” thick envelopes.

From Airports to Zoological Gardens – anywhere records are kept – anywhere document control is required – RapidPrint has the solution.
